

Community Partnership

Tuesday, November 4, 2014

Greetings CPCS Community!

As we come to the close of the first quarter, let's take a moment to reflect on accomplishments. Our children are working hard each and every day to become true scholars and leaders. Our teachers are working equally as hard to become facilitators of knowledge who guide student thinking and not just tell them the answers. And families also continue to work on forming meaningful partnerships with our staff as we work towards the common goal of educating our children.

There has been a concerted effort on the part of the school to reach out to all families to share what your child(ren) are actively engaged in during school hours. We would like to take another opportunity to connect with ALL of you at Parent-Teacher Conferences. This will be the time when you receive your child(ren)'s report card. In the last Tuesday Folder there were two very important items- a conference sign-up sheet and a parent survey. We ask that both of the documents be returned to school as soon as possible in order for teachers to plan accordingly.

The final conference sign up sheet will be compiled with meeting times on a first come first serve basis. The survey is a crucial document that will help set the stage for your scheduled appointment. We want to hear about your child(ren) directly from you. Setting clear expectations and goals for your child(ren)'s development is one way we can move forward in partnership.

Please submit the above-mentioned documents as soon as possible if you have not done so already. We know how challenging it can be to find appropriate meeting times for

everyone, so, we ask, with the utmost respect, that you attend the conference as scheduled and that you are on time. If for any reason you must cancel, please contact the school as soon as possible so that someone else can benefit from your slot.

As always, if you have any comments, questions or concerns do not hesitate to reach out to Ms. Scott directly.

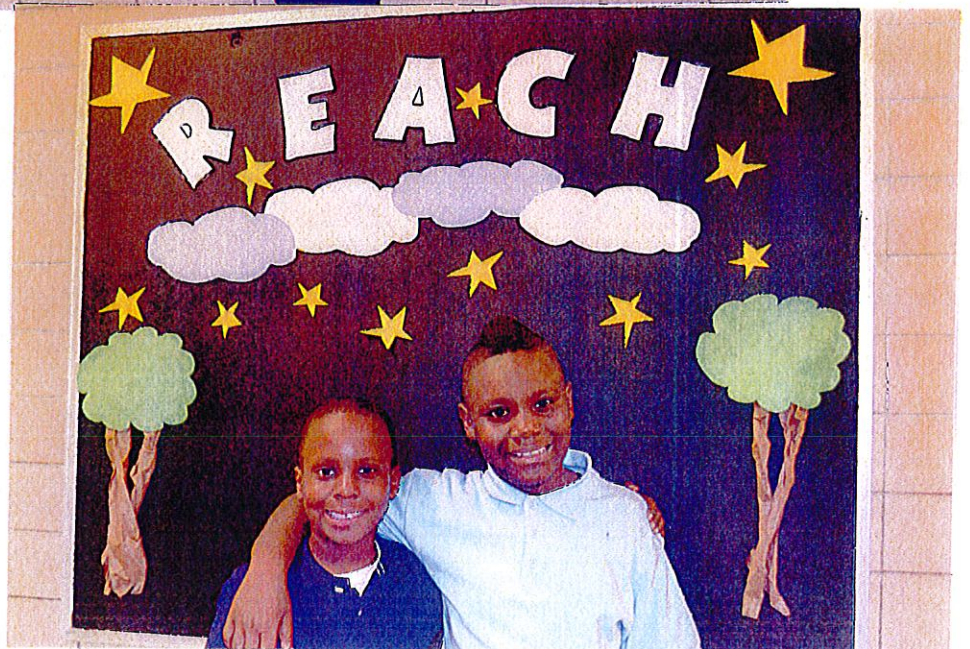

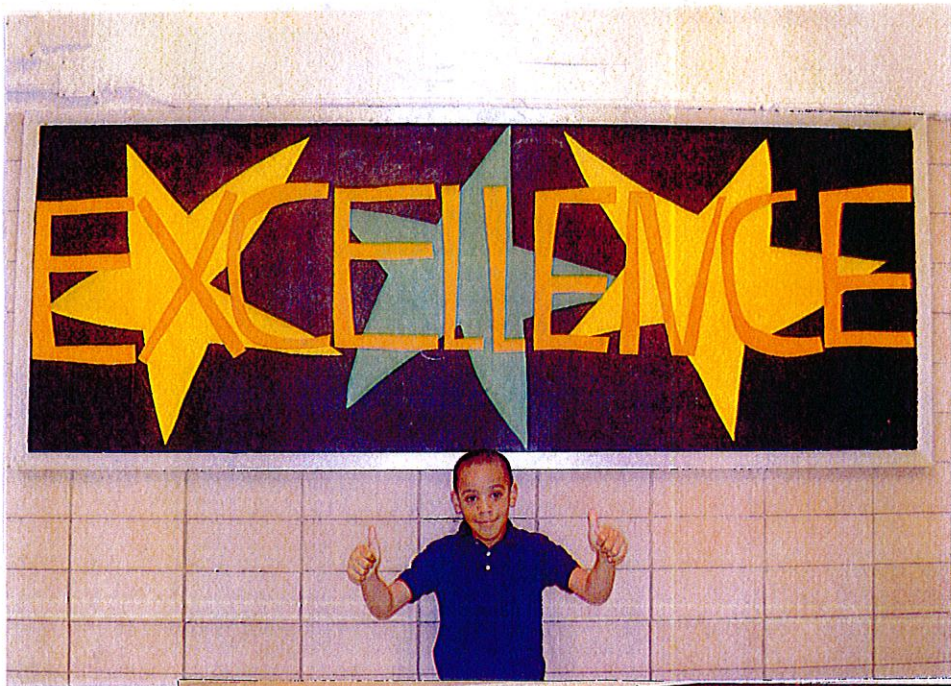

Friendly reminders/important information:

Hello PTCC Family!

Hmm... what have we accomplished together so far? Had our 1st PTCC meeting, check (✓)... Had another successful Potluck check (✓)... So what's next? A few things come to mind...

- More collaboration with families and staff.
 - Advocacy for students
 - Committees creation
 - Class parents interacting with families
- Sharing the PTCC Calendar

Something to think about... **How can I support the PTCC?** We can be reached by ptccofcps@aol.com. Your opinion matters. Please share your thoughts!

We would like to once again give thanks to all of our families and friends that participated in our Annual Potluck Affair. The idea to include a Pre-Halloween costume celebration was amazing. We enjoyed seeing our little people dressed in their most fabulous to monstrous attire. Thank you so much to all of the wonderful volunteers and staff who helped make the Potluck a huge success. We are already looking forward to next year!!
