Finance

- The funds to be raised are currently \$677,913.

- We are starting to look at the 2014-15 budget. Denniston, Michele and Brian will be meeting to discuss the budget for CPCS and BwC2. The Finance Committees of both schools will also be having budget discussions during the coming weeks.
- Nancy gave the board a brief synopsis of the NY State budget's impact on charter schools, including the potential for launching pre-Kindergartens.

Lower School Report

- Melanie discussed recent successes, including a high participation rate for school surveys (98% of families and 100% of teachers).

- However, attendance for the Saturday Academy has started to drop; there is one remaining Saturday Academy before the State Math Test.
