Governance

- The Board voted and approved that once the boards of CPCS and BwCCS2 officially merge, Board meetings will occur on the second Wednesday of the month at 6:30 p.m. The locations for the meetings will rotate between the three sites: CPCS LS, CPCS MS and BwCCS2. (The BwCCS2 Board separately voted and approved the same.)
- The next meeting will occur at 6:00 p.m. on September 17 at CPCS. The Board meeting agendas (post-merger) will include the Finance Report, Director Reports, Academic Committee Report, other Committee Reports (to the extent there are updates) and the PTCC/PTO Reports.

Finance

- The current deficit is \$281,139, a reduction of \$50,043 since the last meeting. (These projections are not final.) The deficit largely resulted from enrollment lower than projected and funding for the after-school programming.
- The audit will occur during the latter part of August, into September. The Foundation will confirm with its lawyers what will happen to reserve funds that existed pre-merger (i.e. do they belong to one school or are they shared between the two schools). There will also be one audit conducted on the schools postmerger.
- The Board voted and approved to pay a quarterly allocation for central cost items and then reconcile.

Lower School Report

- Adjowah Scott, the Principal of CPCS LS, gave a brief update on the school including the planning institute that will occur over the next two weeks, meetings that she has had and will have with key Foundation staff and outreach to current staff and parents.
- With respect to hiring there is one open position for a special education specialist for the 3rd and 4th grade.

- Adjowah is currently planning to host an event on August 28, followed by a meet and greet in September. Before finalizing plans, Adjowah will seek input from the PTCC.
- There was some discussion regarding recent staff departures.

Foundation Report

- At the next meeting, Denniston will provide the results of the Common Core exams.
- There was a brief discussion around recruitment and enrollment. Natalie provided a brief overview, but noted that the numbers are very preliminary.
- On August 22 there will be an all schools social at Marietta.

The meeting was adjourned at 8:09 p.m.
