The meeting was called to order by Martin Ragde at 6:08 p.m.

Governance

- The Board voted and approved the minutes from January 7, 2015.
- The next meeting will occur at 6:00 p.m. on March 11 at CPCS Lower School.

Schools Committee

- Peter Bordonaro presented the report.
- The search for the CPCS Lower School leader is going well. The six final candidates are scheduled for on-site interviews, beginning Monday February 6 and running through Thursday, February 26.
- Candidates will be meeting with teachers, staff, and parent representatives on the Search Advisory Committee.
- The goal is to have the final three candidates presented to the Board in March.

Finance

- Geri Licurse presented the report, which included combined financials for the three schools.
- The Board discussed the proposed budget cuts of \$114,000 as outlined in Denniston Reid's January 6 and February 11 memos. The proposed budget cuts are in reaction to a \$235,000 increase in the projected deficit due to underenrollment. The current projected deficit is \$995,000.
- Denniston will be meeting with Janelle Young at BwC's Legacy Network about possibly absorbing the costs of student trips and admissions costs. If the Foundation does absorb this cost, it will reduce expenses by approximately \$90,000
- The Foundation will also absorb the cost of personnel to manage recruitment and a Vanguard mailing to bolster applications.

BwCCS2 Report

- Esosa Ogbahon presented the school report. (See attached.)
- The Board briefly discussed a personnel shift that will require the retention of a substitute teacher.
- Enrollment at BwCC2 is now at 199 students, an increase of three from the last report. Additional students have come mainly from relationships with current families. School leaders have also been reaching out to next year's applicants now.
- Mr. Ogbahon also presented the PTCC report, which included information about a
 well-attended Winter Wonderland Event and a second fundraiser for end-of-year
 trips.

The meeting was adjourned at 6:40 p.m.

Community Partnership Charter School Ed Corp Board of Trustees Meeting March 11, 2015

Financial Highlights

The projected deficit at the January Board meeting was \$994k. The Board approved \$114k of budget cuts and \$20k increase for a student recruitment initiative. The attached financial statements reflect a current budget deficit of \$909k; additional \$9k is described in expenses below.

Revenues:

- The NYS per student allocation budget line was projected at 620 full time equivalents at the allocated funding of \$13,777. The current projected FTE is 589. This is a reduction of approximately \$247,986 in per pupil revenue for the fiscal year. A reduction of \$427000 in per pupil revenue has been projected in these financial statements.
- Increases in DYCD and Dissemination Grant Revenue is offset by increases is related expenses.
- Title grant revenue has been reduced by approximately \$3,500 to reflect the most current information we have. It is possible additional reductions may occur.
- Hyde & Watson technology grant of \$5,000 is reflected in the attached financials.

Expenses:

- Expenses have been adjusted to reflect projected year end totals and the Board approved budget cuts of \$114k as outlined in last month's meeting. The Family Outreach/Student Recruitment line has been increased by \$20k to reflect the contract with Vanguard. Additionally, Employment Search and Advertisement line has been increased by \$20k for the TFA placement fees. Printing and dues have been reduced by approximately \$6k in total.
- Salaries & Wages have been increased by \$50,000 to reflect the projected costs of \$35,000 of the hourly workers in the CPCS Lower School After School program and \$15,000 to reflect the projected cost of the hourly workers in the CPCS MS Saturday Academy program. Additionally, there are several staff on leave, going on leave and returning from leave, so there will be shifts on overall salaries; however savings in salaries will be offset with an increase in Substitute costs.
- Data and Assessment costs have been reduced by \$33,000.
- Dues have been reduced by \$19,000.
- Increases in expense items related to the DYCD and Dissemination Grants are offset by increases in Grant Revenue.
